

## **Teen Game Night Guidelines:**

**Purpose** of TGN is to give home-educated students time to fellowship in a non-academic safe environment.

Any **home educated** child that is 7<sup>th</sup>-12<sup>th</sup> grade and at least 12 years old can attend TGNs. For host homes this includes non homeschooled neighborhood children that may want to come hang out.

**Behavioral** guidelines that are expected by each teen are as follows:

1. Be courteous to other teens and adults
2. Be respectful of host home property
3. Bring age appropriate games and group game ideas
4. Bring or play only Christian labeled music
5. Play only E video games
6. No foul language
7. Bring a good sportsmanship attitude
8. Friends only night. This means boyfriend/girlfriend relationships are not to be brought into TGNs.

**Sign up** or RSVP is not necessary for regular TGNs.

**Any questions** or concerns can be directed to Jan McMillen TGN Coordinator.
